Salem scored in the 76th minute on a goal by Helen James (SO/Whitby, Ontario) but could not further cut into AU's lead. Wheeling Jesuit - 2, SIU - 1 (OT)

The Lady Tigers played some of their best soccer of the season against Wheeling Jesuit, who came into the game ranked #4 in the East Region with a 5-1 record. Despite being five players short due to injury, SIU forced an overtime period before falling to the Cardinals 2-1.

Laura Toot (JR/Newton Falls, OH) dribbled in and scored just 2:11 into the contest. Wheeling's Joanna Silver tied the match at 1-1 at the 9:21 mark of the first half. The game was a defensive struggle from that point with neither team able to score through the end of regulation. The issue was still in doubt until WJU's Meghan Graham knocked in a goal in the 3rd minute of the overtime period.

SIU actually outshot their conference foes 17-12, led by Kim Beggin's (JR, Arden Hills, MN) four. Freshman Emily Dean (FR/Shoreview, MN) manned the net for 7 saves in the contest.

Women's Soccer Recap - 10/4

Anderson had 2 assists in the contest while Jennifer Judd (JR, Chicago, IL) assisted on the game's first goal by Toot. 1. *Achievement*
   Unless you try to do something beyond what you have already mastered, you will never grow.

2. *Success*
   Some people dream of success…while others wake up and work hard at it.

3. *Character*
   Adversity does not build character…it reveals it.

4. *Attitude*
   A positive attitude is a powerful force…it can't be stopped!

5. *Change*
   Change is life giving. It helps us grow into someone greater than we already are.

6. *Teamwork*
   Teamwork is the ability to work together toward a common vision. The ability to direct individual accomplishment toward organizational objectives. It is the fuel that allows common people to attain uncommon results.

7. *Vision*
   A leader's job is to look into the future, and to see the organization not as it is…but as it can become.

8. *Teamwork*
   Coming together is a beginning…keeping together is progress…working together is success.

9. *Make It Happen*
   Greatness is not in where we stand, but in what direction we are moving. We must sail sometimes with the wind and sometimes against it…but sail we must, and not drift, nor be at anchor.

10. *Never Give Up*
    Go over, go under, go around, or go through. But never give up.

11. Believe and Succeed

Courage does not always roar. Sometimes it is the quiet voice at the end of the day saying, 'I will try again tomorrow'.

12. Thinking Out of the Box

Only those who see the invisible can do the impossible.

13. Together We Can: achieve more, think big, and create magic.

14. The Power of Attitude

Our lives are not determined by what happens to us but by how we react to what happens; not by what life brings to us, but by the attitude we bring to life. A positive attitude causes a chain reaction of positive thoughts, events, and outcomes. It is a catalyst…a spark that creates extraordinary results.

15. Excellence

Excellence is the result of caring more than others think is wise, risking more than others think is safe, dreaming more than others think is practical, and expecting more than others think is possible.

16. Priorities

It was important that I was here.

Coach Beggin has been involved in the development of soccer at all laevels in the United States since the late 1960's. He has created opportunities for recreational, school, amateur, and professional athletes to be invloved in the game. He taught English/Language Arts at Irondale High School in Minnesota and coaches at the high school and amateur level for over 30 years. He has served on national committees for development of the sport and is a member of the Minnesota High School and Minnesota Amateur Soccer Hall of Fame. Over 40 of his high school graduates are coaching at the high school level or collegiiate level. Coach Beggin joined the staff of Salem Internnational in the spring of 2003. He says of himself, " My favorite expression is, 'How can I help you?'." He is best known for how he "teaches" the game....with expertise, with confidence, with enthusiasm, and with passion.

"FIVE CAME WITH ENTHUSIASM!"

That was the line with which I introduced myself to you. I assured you that with enthusiasm we could accomplish much.

I showed you the twisted wires and how what seemed complicated could become easy knowing the right technique. We worked hard at technique and made the game become easier to play at a high level.

I encouraged you to try new things and to be patient. This allowed us to grow with each other appreciating each other's ability to contribute in a complementary way.

We developed self-confidence and established high expectations of ourselves. We were self-motivated to become the best that we could.

I treasure the memories and the great experiences that you women and men have given to me. You are enthusiastic learners and you are good athletes.

I thank you for the time that we have been able to spend together.

SOCCER SOCKS

Every time I put on my soccer socks I fulfill a dream
A dream that I can be a successful college soccer player
A dream that I could play with and against players
of high skill, determination, and performance

Every time I put on my soccer socks I remember
I remember the joy of playing with friends
I remember the laughter that was found in wins and losses
in great and small competition

Every time I put on my soccer socks I plan
I plan on being the best player in the world
I plan at least of being the best player that I can be
in the biggest arena that I can find

Every time that I put on my soccer socks I feel
I feel enthusiasm, pride, and energy…and
I dream that life will bring me more
Of these great experiences
